MAWSS Offers Free Payment App for Smart Phones

Mobile Area Water & Sewer System (MAWSS) now has a free downloadable app that will allow customers to pay their bill on their smart phone.

The app is just one of the enhanced services now available when you pay your MAWSS bill online. Customers can securely check their balance, pay or schedule their bill, review past bills, set up auto draft and receive text or email reminders. Paying online or by phone is eco-friendly, saving time, money and paper.

To get started, customers should create an eBill profile by visiting www.mawss.com and clicking the “Pay My Bill” link. To sign up, customers will need their account number, which can be found on their bill, and the service address.

The free MAWSS Pay mobile app is available for use with Android or iPhone devices and can be downloaded at the iTunes App Store or Google Market. For more information, call customer service at 694-3100.
