Mobile Area Water and Sewer System (MAWSS) has named Douglas Cote' to the position of Water and Sewer Assistant Director of Operations, replacing Les Brown who retired February 1. Cote' directs the activities of the operations and maintenance divisions at MAWSS including overseeing capital projects to assure compliance with changing regulatory requirements in the water and sewer industry.

A 20-year veteran of MAWSS, Cote' was most recently the Water and Sewer Engineering Manager responsible for plan reviews of commercial and residential developers, managing consultant contracts and coordinating construction and personnel relocations to MAWSS Park Forest Plaza and Shelton Beach Maintenance Center. While serving as Distribution System and Records Manager, he oversaw improvements in all areas of water distribution and wastewater collection system operations. Prior to MAWSS, he was an engineer for Lockheed Martin Corporation, Stennis Space Center in Mississippi.

Cote' holds a Bachelor of Science in Civil Engineering from the University of Southwestern Louisiana and a Master of Business Administration from the University of Southern Mississippi.
