**MAWSS Recognized for Financial Reporting**

Sally Berry

Mobile Area Water & Sewer System (MAWSS) has received the Certificate of Achievement for Excellence in Financial Reporting from the Government Finance Officers Association of the United States and Canada (GFOA) for its comprehensive annual financial report (CAFR).

The award, described by the GFOA as the highest form of recognition in the area of governmental accounting and financial reporting, was presented to Sally H. Berry, Comptroller, for the utility's comprehensive annual financial report. MAWSS' report was judged by an impartial panel to demonstrate a "spirit of full disclosure" to clearly communicate its financial story.

"As a public utility, we're extremely proud of Ms. Berry and her staff for their efforts to keep the finances of this organization fully transparent," said Director Malcolm Steeves. "That MAWSS has received this award for each of the last 11 years is evidence of their commitment to this goal."

The GFOA is a nonprofit association serving government finance professionals.
