MAWSS to Induct Four Retirees into Hall of Fame

Mobile Area Water & Sewer System (MAWSS) will induct four retirees into the Employee Hall of Fame, March 5, at 4 p.m. at MAWSS Park Forest Plaza. The program recognizes and honors past employees for their dedicated service while encouraging current employees to continue in their footsteps.

The four 2013 inductees have a combined total of 120 years of service to MAWSS. They are Linda Davis, Janice Gibbs, Joseph Owens and Glynnis Vaughn.

A brief reception, sponsored by the Employee Recognition Committee, will be held following the ceremony.

This will make 42 employees inducted into the MAWSS Hall of Fame since 2009. The honorees' names will be added to the Hall of Fame plaque displayed in the Park Forest Plaza Operations Center.
