MAWSS Announces August Hydrant Flushing Schedule

Mobile Area Water & Sewer System (MAWSS) will be flushing fire hydrants in west Mobile during the month of August. Flushing is a maintenance activity that involves opening the hydrants and allowing water to flow freely for a short period of time. Flushing helps maintain water quality by cleaning out sediment and other particulates that accumulate normally in the water mains. As a result of the flushing, water may appear milky or have some temporary discoloration. Allow water to run a few minutes to clear before using. Avoid doing laundry as staining can occur.

Locations scheduled to be flushed in August include Homestead Subdivision, Pecan Pointe Subdivision, Tanner Williams Rd., Woodland Hills Subdivision, Granato Dr. S., Silver Pine Rd., Magnolia Springs Subdivision, Mobile Terrace, Zeigler Blvd. and Old Shell Rd., Orchard Estates, Princeton Woods Subdivision, Cody Rd., Park Place Subdivision, Schillinger Rd. and Airport Blvd., Briar Cliff Subdivision, Trail Wood, Colonial Hills, Summer Lake Subdivision, Hamilton Bridges Subdivision, Westminster Estates, Kimberlin Subdivision, Blackwell Oaks Subdivision, Crestwood, Charmingdale Subdivision, Magnolia Grande, Summit Dr., Magnolia Grove Subdivision, Zeigler Blvd. and Schillinger Rd., Greenway Subdivision, Portside Subdivision, Dickens Ferry Rd., Border Circle, Greenpark West Trailer Park, Old Government, Manchester Place, Lakeview Subdivision, Pine Run Subdivision, Choctaw Bluff Subdivision, Essex Subdivision and Augusta Subdivision.

Signs announcing the week and day of flushing will be posted in neighborhoods affected. A monthly schedule of flushing sites can be found at www.mawss.com under “What’s New at MAWSS” or call 694-3165 for more information.
