MAWSS Recognized for Financial Reporting

Mobile Area Water and Sewer System (MAWSS) and Comptroller Collena C. Matz have been recognized by the Government Finance Officers Association of the United States and Canada (GFOA) for MAWSS' 2015 Comprehensive Annual Financial Report (CAFR).

The Certificate of Achievement, awarded to MAWSS, is the highest form of recognition in the area of governmental accounting and financial reporting. MAWSS' report was judged by an impartial panel to demonstrate a "spirit of full disclosure" to clearly communicate its financial story.

Matz received an Award of Financial Reporting Achievement for being the individual primarily responsible for preparing the award-winning CAFR.

"As a public utility, we're extremely proud of efforts to keep the finances of this organization fully transparent," said Director Charles Hyland. "That MAWSS has received this award for each of the last 15 years is evidence of our commitment to this goal."
