### MAWSS Sewer Work to Close Section of Mobile Street Wednesday

A section of Mobile St. near Prichard Avenue will be closed to through traffic on Wednesday, October 28, to allow crews from Mobile Area Water and Sewer System (MAWSS) to complete needed sewer work.

The closure will affect a section of Mobile St. between Boyett St. and Stanton Rd., north of USA Medical Center. Through traffic should follow the detour signs around the project. Homes and businesses will be accessible. The road is expected to reopen on Thursday, October 29.
