### **MAWSS Sets Community Meeting on Outfall Line**

Mobile Area Water & Sewer System (MAWSS) and Volkert, Inc., will hold a brief community meeting, Thursday, November 29, at 6 p.m., at the Union Missionary Baptist Church, 508 Bay Bridge Rd., to review construction plans for a new outfall line from the Wright Smith, Jr., Wastewater Treatment Facility to the Mobile River. The pipeline will travel from the Smith Facility on Conception St. to Telegraph Rd. and Bay Bridge Rd., then eastward to the Mobile River. Residents from nearby neighborhoods are encouraged to attend. The meeting is open to the public. A map of the route is available at [www.mawss.com](http://www.mawss.com). For more information, contact Dwight McGough with MAWSS at 694-3191.
