MAWSS Keeps Catherine St. Payment Center Open

Mobile Area Water & Sewer System (MAWSS) will be keeping its payment center at 207 N. Catherine St. open for a while longer. With the sale of the Catherine St. property to the University of South Alabama, MAWSS had planned to close the payment center at the end of June and allow all customers to pay at the MAWSS Park Forest Plaza location at 4725 Moffett Rd. Response from customers who use the Catherine St. location convinced MAWSS to instead find another payment center in the downtown area.

Until a new location is ready, arrangements have been made to keep the Catherine St. payment center and drive up open. MAWSS will announce the new location later this summer. In the meantime, customers can pay their bill at either location, or use one of the many other payment options available including an app for smart phones. All payment options can be seen at www.mawss.com.
