MAWSS Inducts Retirees into Employee Hall of Fame

Recognizing that dedicated, loyal employees are essential to an organization's success, Mobile Area Water & Sewer System (MAWSS) inducted eight retirees into its Employee Hall of Fame, March 17, in the Dennis Moore Training Center. The program, started two years ago, recognizes and honors past employees for their dedicated service while encouraging current employees to continue in their footsteps. Together, this year's honorees had a combined total of 222 years of public service. Inductees, or family representatives, from front left to right are **George T. Butler**, **Albert O. Howze III**, **Lynn B. Cade Jr.**, **Matterson V. Perryman**, Barbara Bolton for husband **William D. Bolton** (deceased), **Joyce H. Conniff** and Katie Dubose for husband **Willie Dubose** (deceased). Inductee **Joyce M. Witworth** was unable to attend. The honorees' names were added to the Hall of Fame plaque that is on display in the Training Center.
