MAWSS Board Approves Rate Schedule Effective January 1

Citing the rising cost of doing business, MAWSS Board adopted a new fee schedule that includes a 3 percent rate increase to take effect January 1. The change will amount to less than \$1.50 a month for most residential users depending on the amount of water used. The increase will offset a rise in the cost chemicals, supplies, maintenance contracts and other costs of doing business.

Revisions to MAWSS' Policies and Procedures manual were also adopted. New fees, which were adjusted to more accurately reflect the cost of providing services, will take effect Jan. 1. An earlier closing time of 4:30 p.m. for MAWSS' payment centers, including the drive up window, will take effect February 1.

The new rates and fees are available on the MAWSS website, www.mawss.com.
