### Heavy Rains & Flooding Cause Sanitary Sewer Overflows Intermittent over 3 day period

Mobile Area Water and Sewer System (MAWSS) experienced multiple sanitary sewer overflows as a result of the heavy rain and flooding that occurred on January 1-2. Many of the same locations stopped, then restarted when the rain resumed. Below are the locations, estimated amounts and receiving waters. New totals are provided for those locations already reported January 1. All overflows have stopped at this time.
