

MAWSS Holding Public Meeting on Supplemental Loan Application

Mobile Area Water and Sewer System (MAWSS) will hold a public meeting on March 28, 2019, at 5 p.m., at MAWSS Park Forest Plaza, 4725 Moffett Rd., to answer questions and review plans for a supplemental loan application to the existing 2018 Drinking Water State Revolving Fund (DWSRF) Loan. The supplemental loan would be used for improvements to the MAWSS metering system by replacing existing automated meter reading (AMR) meters with advanced metering infrastructure (AMI) meters. A summary of the proposed project to be included in the supplemental application, along with the original submitted Environmental Information Document, will be available for review during the meeting. For more information visit www.mawss.com/doing-business-with-us/public-notices/.
