  - a. Add the additional mandatory requirements per Supplier Diversity 16-01 MAWSS Disadvantage Business Enterprise Policy For Public Works Act Contracts. The form is included as Attachment D to this addendum.

#### PROJECT SPECIFICATIONS, SPECIAL PROVISIONS

1. Revise Special Provisions Section 10.43 – Basis of Payment for Base Bid, delete pay item WL-1A in its entirety and replace with the following:

**“WL-1A 20” Ductile Iron Water Main Line Pipe (Restrained Joint) (Zinc Coated Carrier Pipe), Class 350, Auger Bore Installation:** The unit price bid for this pay item shall be compensation in full for furnishing all material, labor, equipment, and incidentals necessary to install one (1) linear foot (LF) of Ductile Iron Class 350 pipe (Restrained Joint paid for under different pay item), into steel encasement pipe (paid for under different pay item) complete in place and in accordance with the plans and standard specifications. The exterior of all auger bored installed ductile iron pipe shall be zinc coated. Measurement for payment will be made along the centerline of installed pipe, such measurement starting at the centerline of installed pipe and terminating at the centerline of junctions or to the various ends. There will be no deductions in measured length for specials, fittings, or valves installed in the line.”

2. Revise Special Provisions Section 10.43 – Basis of Payment for Base Bid, add the following:

**“WL-3A 18”x18” Stainless Steel Tapping Sleeve and Valve:** The unit price bid for this pay item shall be compensated in full for furnishing all material, labor, equipment, and incidentals necessary to install one (1) each (EA) stainless steel tapping sleeve and valve as specified in the Contract Documents. Measurements shall be based on the actual number of tapping sleeves and valves installed as shown in the Drawings.”

3. Revise Special Provisions Section 10.43 – Basis of Payment for Base Bid, delete pay item **GC-4 20” Restrained Joint Fitting** in its entirety and replace with the following:

**“GC-4 20” Mechanical Joint Restraint:** The unit price bid for this pay item shall be compensation in full for furnishing all material, labor, equipment, and incidentals necessary to install one (1) each (EA) of 20” mechanical joint restraint as required of the various types, complete in place and in accordance with the plans and specifications.”

4. Revise Special Provisions Section 10.43 – Basis of Payment for Base Bid, delete pay item **GC-4B 18” MEGA-LUG Restrained Joint Fitting** in its entirety and replace with the following:

**“GC-4B 18” Mechanical Joint Restraint:** The unit price bid for this pay item shall be compensation in full for furnishing all material, labor, equipment, and incidentals necessary to install one (1) each (EA) of 18” mechanical joint restraint as required of the various types, complete in place and in accordance with the plans and specifications.”

5. Revise Special Provisions Section 10.43 – Basis of Payment for Base Bid, delete the following items:

- i. **GC-4A 20” MEGA-LUG Restrained Joint Fitting**

6. Add the following to the Special Provisions:

- a. **“10.45 Build America, Buy America Act**

Build America, Buy America (BABA) Act applies to this project. Contractors shall provide a certification letter for all iron and steel materials from the manufacturer stating that all materials were manufactured in America.”

7. Add the following to the Special Provisions:

- a. **“10.46 Subsurface and Physical Conditions**

Subsurface and Physical Conditions includes the Geotechnical Report for exploration and tests of subsurface conditions at or contiguous to the sites (except underground facilities); the engineer has used these reports in the preparation of the contract documents. The Geotechnical Report performed by Terracon, dated April 2, 2025, is included in Attachment E to this addendum.”

#### PROJECT SPECIFICATIONS, SUPPLEMENTAL GENERAL CONDITIONS FOR SRF FUNDING

1. Revise Supplemental General Conditions for SRF Funding to replace the Heavy Dredging Wage Rates with Heavy Construction Wage Rates. Heavy Construction Wage Rates are attached as Attachment F.

#### **CHANGES TO PROJECT DRAWINGS:**

##### PROJECT DRAWINGS, SHEETS G-05, C-01, AND C-02

- a. Delete Sheets G-05, C-01, and C-02 from the project drawings and Replace with G-05 – Addendum No. 1, C-01 – Addendum No. 1, and C-02 – Addendum No. 1. Sheets are included as Attachment G to this addendum.

#### **GENERAL**

1. The Pre-Bid Conference Sign-in Sheet, dated September 23, 2025, is included as part of Addendum No. 1 as Attachment H.

**CLARIFICATIONS:**

Q1. *Will there be a separate pay item for dewatering?*

A1. No, dewatering shall be subsidiary costs within the provided Bid Items.
