**Wastewater Overflow
1566 Lois Dr; Cedar Pointe Rd. Side on The Easement**

Mobile Area Water & Sewer System (MAWSS) responded to a wastewater overflow on September 19, 2022 at 1566 Lois Drive near Cedar Pointe Road along an easement. Approximately 1,565 gallons of wastewater flowed into Mobile Bay as a result of a break on a sewer main line. MAWSS crews repaired the break and are taking steps to prevent future overflows at this location.
